TO-DAY'S GAMES.

Wheeling's base ball team put up an elegant game yesterday afternoon, won the game from Dayton on the narrowest of margins, and again exchanges positions in the Inter-state race with the visiting team, the locals taking seventh place and the Daytonians sliding back into the tail-end. Both teams played gilt-edged ball, but it was through a very costly error by Third-baseman Smith, of the Daytonians, that Lytle's men were enabled to win.

It was a pitcher's contest, with Crabbill and Gilpatrick stacked up against each other, and the local man showed he was the better twirler of the two, Dayton succeeding in making only four safe hits off his delivery. Wheeling wasn't able to do much with Gilpatrick; six hits, of which two were scratches. Up to the ninth inning Crabbill hadn't given a base on balls nor hit a batsman, but in the last inning he tendered one Daytonian free transportation to the initial bag.

The game was won by the locals in a sensational finish. Wheeling had scored her second run in the eighth, again assuming the lead, after Dayton had scored once in the seventh and tied the score. Dayton made a gallant effort to win out in the ninth, but a sensational double play gave the game to Wheeling. The first batsman up, Miller, was an out to Dobbs, who captured the ball after a hard run to deep center. Slegle was given a base on four wide ones. Riegan hit to short right field, and Slegle and nearly everybody else thought it would go safe. But your uncle "Pop" Lytle gave an exhibition of fast running that was worth the price, and scooped up the ball half a foot from the ground. Slegle had run to second, and it was dead easy for Lytle to throw to Lyons for the double play that ended the game. The play was enthusiastically applauded by the audience.

Wheeling scored the first run of the game in the second inning. Taylor and Lyons worked bases on balls, and Twineham filled the bases by a successful bunt. Niles made a slashing single to left field on which Taylor scored, but on Miller's fine throw to Donohoe, Lyons was retired at the plate. With one out and two on bases, the next two batsmen were outs.

Dayton's first and only run came in the seventh. With one out, Riegan hit for a two-bagger, scoring Riegan.

BASE BALL COMMENT.

A double-header, the first of the season in Wheeling, will be pulled off this afternoon by the Wheeling and Dayton clubs. In the first game, "Tacks" Parrott will make his debut on the Wheeling grounds, and Wells will pitch in the second game. Watkins will likely pitch the opening game for the Daytonians. The first game will be called at 2 o'clock.

Parrott has pitched for several National League clubs, including Cincinnati and St. Louis. His work at Dayton last Sunday shows he still has his good right arm with him, and a victory can be expected confidently this afternoon in the game he pitches—and the other ought to be a win, too, for Wells is pitching great ball these days.

"Pop" Lytle's great play in the ninth yesterday ought to silence certain know-it-alls who have been spending a vast amount of wind in letting the base ball public know their opinion that Lytle is a has-been.

Denny Lyons couldn't do anything with Gilpatrick yesterday, but he has been hitting at a lively clip, and is due for some heavy attack work this afternoon.

"Tacks" Parrott and Babb, Wheeling's third baseman, come from the same town, Portland, Oregon.

There was a great shaking up in the

Inter-state race as a result of yesterday's games. Mansfield jumps from third place to a tie with Youngstown for the lead, while Toledo drops to third position. Only eight points separate the first four clubs. Grand Rapids and New Castle exchange positions, the former taking fifth place, and Dayton and Wheeling likewise do the lightning change act to the manifest disadvantage of the Old Soldiers. The Inter-state race is a beauty and every one of the eight clubs has a chance for the rag.

It was an errorless game the Wheeling played yesterday. The players worked with a vim that argues anything but a Homeopathic dose of ginger. Babb, at short, made some wonderful pick-ups, and Taylor and Niles also put up a brilliant game. The three outfielders were also in the game up to their necks, accepting everything in and out of sight.

Three two-baggers were made in Tuesday's game. Dayton got the three and still didn't win. Two of them counted for the visitors' one run in the seventh.

"PITZ" LETS UP

In His Training, Owing to Heat—Is a Trifle Fine, Anyway.

NEW YORK, June 6.—"Bob" Fitzsimmons was compelled to let up a little in his training work to-day, owing to the extreme heat. Martin Julian advised the champion to take things easy. Instead of boxing with his sparring partners in the barn, Fitzsimmons had a canvas enclosure erected in the rear of his residence and there he fought nine hard and fast rounds with Dan Hickey, Jack Everhardt and "Tank" Kennedy.

Fitzsimmons appeared to be on edge and if anything looked to be trained a trifle fine. His work with the gloves was all that could be desired by his most sanguine adherents and when he turned in for a shower bath and a rub down Bob showed no signs of fatigue, while the other three pugilists were winded considerably. Fitzsimmons is now about the middle weight limit and chuck full of confidence in his ability to win from the young Californian, who will have an advantage in weight of nearly fifty pounds when they meet next Friday night at Coney Island.

Martin Julian who is watching out for the interests of the champion, said to-night that Fitzsimmons was in rare good trim and that from now on the work would be diminished gradually as he felt that his man was on edge and there would be no further use for exhaustive training.

Chief of Police Devery to-night gave out the following statement relative to the action he will take in case the Fitzsimmons-Jeffries fight next Friday, resolves itself into a "brutal slugfest match."

"From certain published statements of experts on prize ring and boxing matters, and from various sources, it would appear that the two would-be pugilistic champions who are down for a sparring contest at the Coney Island Athletic Club on Friday night next, or their backers or managers intend to have under the guise of a Horton law sparring contest, a general, old-time physical match or prize fight. If no such slugfest match is intended, then the inference is that these statements and impressions are spread for the sole purpose of gulling and imposing upon the public.

Martin, of Denver, Colo. The end came in the second round, as Armstrong beat his man all over the ring, and finally knocked him out with a right on the jaw. Bellefield Walcott, a brother of Joe Walcott, defeated Sam Holmes in the second round of a bout at 135 pounds.

A GREAT RACE

Was that of the Rough Riders Cycle Club. Last Evening—Carl McGranahan Wins the Race and Ties for Time Prize—21 out of 23 Finished.

One of the most successful road races ever given in Wheeling was that of the Rough Riders' Cycle Club, which was pulled off last evening, at 6:30 o'clock, after the rain had caused no less than three postponements. Without precedent was the percentage of entrants who faced the starter; every one of the twenty-three tied the mark, and of these all but two finished, which is another record-breaker. In addition, the handicapping, which was done by Physical Director E. J. State, of the Y. M. C. A., was a feature, the finishes being remarkably close and making the race one of the most exciting ever witnessed. The Rough Riders may feel considerable pride in their achievement.

The race was over the old Intelligencer course, to the seven-mile post and return, a distance of fifteen miles. The record was held by Jess McCausland, who made it in 48:11 in the Intelligencer 3555 race. This record was broken by several contestants in yesterday's race. The winner of the race, Carl McGranahan, and Ed Salade both made it in 47:10, and Herman Fredrick came next in 47:24. McGranahan rode from the 3:30 mark, but his time performance insures him a place at scratch in future road events in this section to Salade.

Herman Pearlman, the "messenger boy wonder," was again the victim of hard luck, else he would have done better than finish in twelfth place. He rode the last two miles on a flat tire. The little fellow will figure at the front one of these days.

McGranahan finished fifty-five seconds ahead of the second man, Modar. The next six men finished within a few seconds of each other.

After the race it was learned that Salade and McGranahan were tied for time prize. Soon it was reported that Salade had been helped up Chleken Neck hill by a bystander, Alex. Turner, and that McGranahan had been helped up by T. Harry Pollock, which official will decide to-day. Salade says he was not helped up the hill; that Turner laid hold of his wheel for that purpose, but that he shook him off, knowing three postponements. Without precedent.

PITTSBURGH—WHEELING RELAY

Race to be Arranged by the Y. M. C. A. of the Two Cities.

Physical Director E. J. State, of the Young Men's Christian Association is now working to arrange for a bicycle relay race, from Wheeling to Pittsburgh and return, to occur about June 15. He will endeavor to interest the Y. M. C. A. cyclists of Pittsburgh and Little Washington. It is likely Mayor Sweeney will be asked to send a message to Mayor Diehl, of Pittsburgh, and on the return trip the wheelmen will bring the Pittsburgh chief executive's answer.

This is the first relay attempted here since the Intelligencer relay, run from Pittsburgh to Wheeling in September, 1897, at the time of the first race meet of the Wheeling Athletic Wheelmen.

K. O. P. ROAD RACE.

Entries Closed Last Night with Largest Field of the Season.

Entries for the Pythian Day road race, to be run to-morrow afternoon at 4 o'clock, in connection with the outing of the Pythian lodges of Wheeling, closed last evening at the Intelligencer office, and the number of entrants is twenty-seven, the largest field figuring in any of the several road races here this season.

The entry blanks have been handed to Handicapper W. R. Stevenson, who will announce the handicaps in to-morrow morning's Intelligencer.

D. D. Howard, of Wellsburg, sent in his entry, but as the blank was not accepted. One of the conditions named on the entry blank was that all entries must be accompanied by the fee.

BUFFALO, N. Y., June 6.—What is believed to be the largest trap shoot ever held was commenced at the Buffalo Audubon club traps this morning.

It was the first day of the annual state shoot held in conjunction with the last convention of the New York State Association for the protection of fish and game. Over two hundred shooters are here from different parts of this country and Canada, and in the first event 156 men were entered.

The first four events were open to the world. The principal event of the program to-day was No. 2, at twenty-five targets, for a guaranteed purse of \$500.

The names of those who scored the full number of targets in the different events follows:

First event, fifteen blue rocks: F. E. Mallory, of Parksburg, W. Va.

Second event, fifteen blue rocks: F. E. Mallory, of Parksburg.

Third event, 25 blue rocks, \$500 guaranteed purse: F. E. Mallory, of Parksburg.

Fourth event, twenty blue rocks: F. E. Mallory, of Parksburg.

Fifth event, twenty blue rocks: F. E. Mallory, of Parksburg.

B. & O. OFFICIALS HERE.

Receivers Cowan and Murray Inspire Their Local Property.

Yesterday at 12:40 p. m., a special car with Receivers Oscar G. Murray and John K. Cowan, of the Baltimore & Ohio railroad, on board, came in from Pittsburgh, and a stay of about an hour was spent in this city. The receivers were accompanied by General Manager F. D. Underwood, Real Estate Agent J. D. McCubbin and others, and by several officials from Pittsburgh, among whom were General Superintendent Gibson, Superintendent Barton, General Freight Agent Brockenhough and others.

While here, the officials inspected the old passenger station on South street, and the freight station nearby. Before leaving they were taken in carriages to a point near the City hospital, where, according to a local official of the road, they would have a "nice view of the city." As the holdings of the Wheeling Bridge & Terminal can be seen from this point to great advantage, their trip to that part of the city was thought to be significant, and was taken by some to mean that the Baltimore & Ohio would probably acquire the Terminal road. However, the officials declined to give out any information.

Developments relating to a proper passenger terminal for Wheeling seem likely in the near future. That a first class passenger station will be given this city is well assured, but the location is at present a matter for conjecture.

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's Progressive Neighbor.

The marriage of Miss Lizzie Huffman of this place, to Mr. William Springer, of Benwood, will occur this morning at 9 o'clock from St. Mary's church. The bride and groom will be Miss Anna Leonard, and Fred Huffman, brother of the groom, will act as best man. After the ceremony at the church an elegant wedding breakfast will be discussed at the home of the bride. They will leave this afternoon for a two weeks' trip through the west.

The Belmont Brewing Company let the contract yesterday for putting down their new artesian well to the Kenny Water Supply Company, of Belair. It will be operated by one of the latest improved air compressors, and will have a capacity of 250 to 300 gallons per minute.

Miss Anna and Mable Boyd entertained the Young Ladies' Missionary Society of the U. P. church at their home, on North Fourth street last evening.

Miss Lizzie Shaver is very ill at her home, on Third street.
